Prioritizing Strengths and Needs, Needs Statements, Recommendations

Notes: Kari explained how this discussion will be structured and what the goal is for this discussion. The Family Council reviewed a list of strengths and a list of needs for Region 48 and had the opportunity to suggest additional for each. Members picked their top five in each.

Kari presented the needs statements that the Action Council created in their last meeting. She asked the Family Council if they had any ideas on how to address the three needs they added earlier: diversity in the workforce, staff training, and more affordable care.
