

Region 1-B-B Action Council Updates

Date & Time: 07/11/2023

1. Early Childhood Regional Needs Assessment Dissemination Plan

Dissemination efforts are well underway by the 1BB Team, and we are busy doing outreach to the community to seek out opportunities to share the Regional Needs Assessment. Thank you to everyone that has offered to support us by sharing on your social media, on your websites, and also offering to participate/host us. We appreciate you! If you recall, we last provided an update on the completion of the Regional Needs Assessment and its submission to graphic design to publish the report to the public. As of 06/29/23, the public launch is **on hold**.

- The State has asked us not to share the reports until they have time to review them.
 - State Agencies want to be prepared to answer questions that may arise from our reports; we appreciate their investment!
- 2. Our 42 page Regional Needs Assessment report has been sent to translation, too. We will have access to it in Spanish! All 39 Regional reports have been sent to print; each Region will receive around 20 copies of their Regional Needs Assessment document.
- 3. All 39 Regions were encouraged to record a 30-minute webinar as a dissemination tool/resource. The webinar addresses each Region's Regional Needs Assessment findings and recommendations.
 - Region 1-B-B recorded the webinar with the support from two (2) Action Council members, Vivian Palicki, and Emily Norman.
 - The webinar is being reviewed by the leadership team.
 - The webinar will be available on YouTube.

Next Steps:

1. Inform the Action and Family Council once the State has provided feedback on the public launch date.
2. Once the Webinar is live, share the link with Action and Family Council members.

Recruiting Family Council Members

We are actively recruiting Action and Family Council members. Please share the Council flyer or [website link](#) in your personal and professional networks and let them know the great work you are doing by serving on the Council. The 1BB team is also available to meet with anyone who is interested or who may have questions.

Action and Family Council Appreciation Day

Join us on July 28, 2023, from 4:30pm to 6:30pm for food and activities for you and your children!
