Regional Needs Assessment Discussion and Dissemination

- We are hoping for a release date of June 26th, 2023, for the Early Childhood Regional Needs Assessment.
- Our Family/Action Council submission forms are open to join the council around June 12th/13th. These submissions will be reviewed sometime in August. We will not be doing our own review of our Regions' applications. One of our other Regions will be reviewing and selecting members. We are looking to supplement our team with people that need to be at the table.
- We are hoping to increase our Family Council. Our goal is 20. Warren and Mercer counties need more representation.
- Today's meeting will be the only meeting in June. Our July meeting will take place on the regularly scheduled Thursday.
- There will be two meetings in August.

The next meeting is Thursday, July 6th at 12:15 p.m.
