- 6:05 Welcome, Permission to Record
- Permission to record was granted.
 - Kennilyn informed the Council that the Regional Needs Assessment is complete and in the process of being printed.
- 6:10 Ice Breaker
- Kennilyn asked the Council what their favorite summer activity is.
- 6:15 Review the Webinar, Contact List, and Upcoming Events for Summer Dissemination Plan
- Kennilyn shared the Webinar preview that will be shown to community members/stakeholders.
 - The Council approved the three strengths and needs shared on the webinar as well as the recommendations.
 - The final infographic was previewed that will be given to the public once the RNA is released.
 - The Summer Dissemination Plan was discussed with already planned activities and Kennilyn asked the Council to think of other events that we should be present at to share information.
 - A Council member mentioned the Iroquois County Fair and whether we should be present there.
 - Kennilyn shared how pleased she is with the connections our team and Councils are making throughout the community.
- 6:26 Facebook & Social Media
- Our Region's Facebook QR code was shared on the screen and the Council was encouraged to like our page and share our information to build our social media presence.

- 6:30 Center for Early Learning Funding Equity Survey
- Kennilyn reviewed the survey questions regarding the Council's needs and preferences in accessing data in general and accessing and using early childhood education data more specifically.
 - Kennilyn shared the survey link and asked the Council to complete the survey if they were able.

- 6:50 Q & A
- No questions were asked.

6:50 Adjourn
