

## Action Council All Member Meeting

Action Council Members

Date: Wednesday, October 25th, 11:30am – 1:00pm

### Notes

#### 1. Introductions

Notes: Members introduced themselves and for an icebreaker they shared the most clever costume they have ever seen.

#### 2. Group agreements

Notes: Members were presented with the new group agreements they came up with and they agreed to them.

#### 3. CQI

Notes: David presented the CQI (Continuous Quality Improvement) Model and explained the cycle of CQI and how it will be used in our work.

- The final recommendations members are working on were presented so that members could come up with more specific goals, and work toward their SMART goals.
- Members came up with ideas on what they want to see happen with the recommendations, and how that can be achieved. Like ways to spread the word, and events that could be held throughout the county.
- David asked members what they think a good timeline would be for when these goals would be accomplished.
  - i. Members discussed their thoughts.

#### 4. Workgroup Review

- David presented meeting dates and times for work groups that were selected by council members.

#### 5. Updates/Nest steps

- Alicia shared updates with members and let them know we are in the process of setting up council meeting dates and times, which they voted on.
