

## Family Council All Member Meeting Notes

Date: Wednesday, December 13, 2023, 5:30 -7:30 pm.

### Attendees

Council members present: Brenda Lopez, Kamilat Soyeye, Tiara Magee, Simone Gatlin, and LaDonna Reynolds.

Council members absent: Angela Ballard and Regina Harden.

### Agenda

1. Welcome.

Notes:

- Jaime Garibay, our Family and Community Engagement Specialist, welcomes Family Council members, goes over the meeting essentials, zoom engagement tools, and Zoom annotations, and briefly goes over the agenda.
2. Introduction/Ice Breaker.

Notes:

- Family Council members were placed into pairs to have one-on-one conversations; one person listened while the other person talked and then switched roles.
  - Family Council members had the opportunity to debrief what was discussed in the one-on-one conversations.
3. Group agreements.

Notes:

- Family Council members agreed not to change the Group agreements.
4. Climate Check.

Notes:

- Jaime shares a climate check poll with council members to see how they feel about council meetings/times, workgroup meetings/times, and Action Plans.
5. The Four Agreements.

Notes:

- Jaime introduced “The Four Agreements” to the council members. He asked if anyone was familiar with the book and, if so, how they liked the book and whether they applied it to everyday life.
6. Understanding ACEs.

Notes:

- Our Family Council members were introduced to ACES (Adverse Childhood Experiences)
    - Mentorship, career workshops, affordable, high-quality Childcare, and after-school activities are ways to prevent ACES.
7. Recommendation 1&2

Notes:

- Family Council members were placed into breakout groups to work on the two recommendations in our Action Plans.
  - Action Plan Breakout Room(s)
    - viii. What funding would it take to implement this recommendation?
    - ix. Are other community groups, agencies, organizations, or individuals working on similar or related goals/recommendations? If so, list them below.
      - a. What lessons have they learned that might be helpful to your Council members?
      - b. Which partnerships can be leveraged to support your Council’s goals/recommendations?
    - x. How will you know when the recommendation is fully implemented?
    - xi. What do you predict will happen if this recommendation is implemented?
    - xii. Is there anything that came up during discussions that does not fit into an existing question but is important to note?

8. Parking Lot/Q&A
