Agenda

1. Introductions
2. Ice breaker
3. SMART Goal Recommendations
 - a. Analysis of what's currently in place & available to identify what's in place and then the format of education that want to develop
 - i. Would we gather info from early childhood teachers? Or do we think we have this already?
 - b. We can support resources instead of taking them on, influence and/or coordinate them
 - c. Resilience supplementation available by Meryl
 - d. Goal 1: Analysis of what CE resources are currently available
 - i. Who might be involved? 4-C, Starnet, Meryl, Kish College, EC Educators
 - e. Brief and succinct survey to EC Educators in regard to support needs/CE need
 - i. Incentives might be helpful, Birth to Five will work to see what's available
 - f. Goal 2: Find out from EC Educators what their support and continuing ed, professional development needs
 - g. Timeline, a living document, within the next year towards this goal
 - h. Agreed on 2 SMART Goals
4. Year 1 work
 - a. Gretchen will send SMART Goals to Work Group, next Workgroup meeting in Jan, will still meet as councils
 - b. Coalition for mental health: Workgroup members currently serve on that coalition and will have ongoing knowledge of what's happening there to share with workgroup
 - c. Workgroup members can add SMART goals to the document in the meantime until we meet back in January

Before next meeting...

- Gretchen to send SMART Goals living document
