## QUESTIONS THAT NEED ANSWERED

- What does the mental and behavioral health landscape look like for families?
  - Mental health services, including Watson, U of I, WIU, North Central, several independent psychologists, center head start offers an in-house person, a Psychology clinic, and Fini Health, Hancock county has someone going into schools
  - Reach out to the I/ECMHC of the area, R&R as well.
    - R&R does family childcare meetings once a month resources are shared, with classes that can be taken.
  - Fulton county drives to Peoria, some families clocking 300 miles a week for developmental therapy
- What services, resources, and referrals are available to them?
  - I/ECMHC,
- What is missing from the list?
  - Access to care, behavioral services closer to home sites, and in-school services not being provided in all schools.
  - Families don't know where to turn to get the help that they need.
- Where are the gaps in the mental and behavioral health landscape?
  - The number of Physicians is low for the Region. (does it include mid-level providers?)
  - Number of Mental And behavioral health providers
- What is the referral process for mental and/or behavioral health services like for service providers, referral agencies, and others who work with caregivers and families?
  -
- What is the referral process for mental and/or behavioral health?
  - Not sure current process.
