Date: Wednesday, November 29th, 6:30pm – 8:00pm

Agenda

1. Introductions
 - a. Alicia commenced the meeting by expressing her gratitude to the Council members for their patience during the initial moments of the meeting, acknowledging the challenges of adjusting to a new location. She then proceeded to present the meeting agenda. Alicia then invited the Council members to introduce themselves and to share something from their Thanksgiving break. Once introductions were complete, Alicia transitioned to housekeeping.
2. Community agreements
 - a. Alicia presented members with the Community agreements.
3. The 4 Agreements
 - a. Alicia presented the 4 agreements to the members which are similar to the group agreements the members agreed on at the beginning of year two. The four agreements are:
 - i. Be impeccable with your word.
 - ii. Don't take anything personally.
 - iii. Don't make assumptions.
 - iv. Always do your best.
 - b. Alicia initiated a discussion by inviting Council members to share their perspectives on the effectiveness of the workgroups. She encouraged them to openly express their thoughts and observations regarding the collaborative dynamics, communication channels, and overall impact of the workgroup structure on achieving goals.
 - i. Members actively engaged in the discussion, providing feedback on various aspects of the workgroup experience.
 - c. Alicia thanked members for their valuable insights.
4. Action Plan Review
 - a. Alicia reviewed the two recommendations the workgroups are working on.
 - b. David briefed the members on the team's recent meeting with the Data Strategist for Birth to Five Illinois, where they delved into the progress made within the

workgroups. He also informed the members that several other regions are pursuing similar goals, which presents a valuable opportunity to connect, share insights, and learn from their experiences.

- c. Alicia then presented members with the SMART Goals for the recommendations they chose to prioritize and asked members for their feedback.
 - i. Family Council members reviewed the SMART Goals for Affordability and provided constructive feedback and suggestions for refinement.
 - ii. Members then reviewed the SMART Goals for Awareness, providing then their feedback and suggestions.
5. Updates/Next steps
 - a. Alicia shared updates and the December meeting dates.
