

Family Council Member Meeting.

Date: January 10, 2023, 6:00pm – 7:30pm.

Attendees.

Council members present: Gary Craig, Megan Crookham, Christina Erwin, Anita Frej, Laurel Huston, Courtney Kilgore, Kristin McGraw, Kerishena Metz, and C'Ante Morris.

Agenda.

1. Introductions/Icebreaker.
2. Group agreements.
3. Recommendation One.

Notes: The Family Council was asked what they felt the long-term impact would be once the Action Plan for Recommendation One was completed. They reviewed what the Action Council discussed and added that completion would help ensure children get better care for the needs they have, there would be less need for children with disabilities to move programs, and possibly even less staff turnover within centers.

4. Recommendation Three.

Notes: The Family Council agreed with the suggestions presented by the Action Council about who the responsible parties should be for creating the professional development plan and changing "plan" to "framework". They inquired if the Regional Office of Education would be involved, and it was confirmed that there would be involvement due to someone from the Regional Office of Education leading the Community Inclusion Team.
