

Region 48 Discussion Notes

Peoria

General Comments

- None shared.

Strengths/Assets

- We have a lot of local resources and collaborate together well.
- No surprises, but the data emphasizes the work and opportunities for our field to help our underserved and underrepresented populations in the regions, starting with a racial and other disparities strategy.

Needs/Challenges

- Getting families' voices at the table often and on a consistent basis.
- Spreading awareness about resources available.
- Transportation.
- Reducing the obstacles in accessing resources.
- Staffing.
- Limited resources in the more rural areas compared to the city of Peoria.
- More collaboration.
